Dance

This year's F.R.A. Committee is looking forward to welcoming you to Loyola. We think you will enjoy the various activities planned, and we guarantee a great time. . . Here is further information about the events:

HINGSTON HALL MIXER

Featuring Pops Merrily. Freshmen should make a point to attend; its a great way to meet people.

OPEN AIR CONCERT

If you'll allow us to detract from your first day of classes, under the trees between the Bryan and Administration buildings, we have some of the best folk and rock sounds playing all day long.

As an added attraction this year the concerts will be on two days – twice the entertainment.

FASHION SHOW

Some of Fall's finest fashions will be displayed at our new freshman event; all this followed by a gala wine and cheese party, sponsored by Mell Ross & Jean Junction.

DISCOTHEQUE

Right before your very eyes see the Caf transformed into a veritable room of lights and sounds as the students association kicks off the disco season. Beer and liquor? mais oui.

THE CAF PUB

Fashioned after the ever popular carnival success, caf rats can sip suds while munching and offer a toast to the new freshettes and Minister Gerard Choquette.

RUGBY GAME

Pitting freshmen and upperclassmen in a coed rugby game may not be your idea of a mixer but action on the football field should be at a high.

LOYOLA NIGHT AT JARRY PARK

Look out Gene Mauch. The Expos don't know what real fans are until Loyola and Molsons get together in the Jarry Bleachers. Tickets are on sale around campus at reduced rates, and busses leave from Loyola.

SHINERAMA CONCERT

This event is open only to students who will labour for the just cause of the cerebral plasy victims. Shoe shiners will be given free admission to hear some of the top North American entertainers play for their benefit.

CAR WASH

If you figure the Caf Pub to be wet, don't bet against the car wash. Every year the frosh scurb cars, and themselves, for CARE of CANADA.

COMPUTER DANCE

Mix music, spirits, and Loyola's computers and you come out with our newest event. Computer dates are only available to the luckey frosh but the event, to be held in Hingston, is open to all. April Wine will provide music.

JOIN DAYS

If you enjoyed our events why not help out with the rest during the year. We had such a good time that its only fair we offer you a chance to join the action. Various campus clubs are looking for supporters.

THATS OUR HAPPENINGS FOR THIS YEAR: GOOD LUCK IN 71-72.

F.R.A. COMMITTEE EXECUTIVE

<i>Chairman</i>	<i>Chris Danylkiw</i>
<i>Open Air Concert</i>	<i>Don Stephanson</i>
<i>Dances</i>	<i>Ron Harvey</i>

<i>Shinerama</i>	<i>Barbara Vaupshas</i>
<i>Publicity</i> <i>and Computer Dance</i>	<i>Debra Barbagallo</i>

and to the many other faithfull who helped plan and coordinate the many events without whose help there would be no Freshman Happenings.

***This years Freshman Button design dates back to the early Roman civilization upon whose fear ridden society magic had a great influence. The symbol of the bronze hand and the disc above the middle finger represented the all powerful god and guaranteed protection to the faithfull.*
